

# What most people in Washington know about lung cancer:

It's not surprising that lung cancer kills more people than breast, colon, prostate, liver,

**LUNG  
CANCER  
ALLIANCE**

melanoma and kidney cancers. Combined. It's time to change this.

**NO MORE EXCUSES. NO MORE LUNG CANCER.**

Please help support our educational effort with a tax deductible contribution to the Lung Cancer Alliance, a 501(c)3 corporation. 888 16th Street NW, Washington DC 20006 [www.lungcanceralliance.org](http://www.lungcanceralliance.org)
