

Being
NUMBER ONE
is nothing to celebrate.

This year, more than **172,000** people will be diagnosed with lung cancer.

And more than **163,000** will die from the disease — making it America's **NUMBER ONE** cancer killer.

But there is hope. New treatments are available and more are on the way.

Help **Lung Cancer Alliance** shine a light on lung cancer and focus more attention on fighting this disease. Working together, we won't be number one.

NO MORE EXCUSES.
NO MORE LUNG CANCER.
